Michael Shodipo

Product Designer at Nuklai Protocol | User Experience Designer | Blockchain - AI | DeFi

Lagos State, Nigeria

Summary

Product Designer with 8+ years of experience, currently a product designer at Nuklai Protocol, passionate about making experiences that are user experience-friendly, significant, and enjoyable. I can create user-focused experiences while taking company strategy, user demands, context, and limits into account thanks to my interdisciplinary training. I appreciate working with cross-functional teams to address challenging problems and provide innovative solutions. Competent in Figma, Sketch, Adobe Creative Suite, user experience (UX), and user interface design (UI).

Core Skills: Product Design, Prototyping, Research, Wireframing, Mockup Design & Presentation, Photo Manipulations.

Tools: Figma, Adobe XD, Sketch, Protopie, InVision Studio Adobe Creative Suite(s), Zeplin, Blender, Webflow, Jira, ClickUp, Notion, Slack, AutoCAD, Cinema 4D, Gimp.

Hobby: Brainstorming on ideas, Music, Playing the Keyboard.

Spoken Language: English.
